.................DENIAL.................OF STATE ENGINEER

deny

This is to certify that I have examined the foregoing application, and do hereby ~~grant~~ the same, subject to the

following limitations and conditions:

This application is herewith denied on the grounds that this appropriation of

underground water for the irrigation of additional lands would tend to impair the

value of existing rights and would be detrimental to the public interest and

welfare within the Walker Lake Valley, Whiskey Flat - Hawthorne subarea. The

irrigation of additional lands within the Walker Lake Valley, Whiskey Flat -

Hawthorne subarea under these conditions is not considered to be a preferred

use of the limited resource as provided under NRS Chapter 534.

The amount of water to be appropriated shall be limited to the amount which can be applied to beneficial use, and

not to exceed...cubic feet per second.......................................

Actual construction work shall begin on or before..

Proof of commencement of work shall be filed before..

Work must be prosecuted with reasonable diligence and be completed on or before................................

Proof of completion of work shall be filed before..

Application of water to beneficial use shall be made on or before..

Proof of the application of water to beneficial use shall be filed on or before.................................

Map in support of proof of beneficial use shall be filed on or before...

Commencement of work filed................................

Completion of work filed......................................

Proof of beneficial use filed.................................

Cultural map filed..
